Instructions to Teachers/Tutors

This paper must be read in conjunction with the unit information in the specification and the BTEC Nationals Instructions for Conducting External Assessments (ICEA) document. See the Pearson website for details.

Part A should be issued to learners one week prior to undertaking **Part B** of the assessment.

Learners will be expected to conduct research over a maximum of four hours. Up to four sides of A4 notes (minimum font size 11) can be taken into the supervised assessment (**Part B**).

Teachers/tutors cannot give any support to learners during the production of the notes and the work must be completed independently by the learner.

Part B is taken under supervision in a single session of 2 hours 30 minutes on the timetabled date.

Guidance for Learners

Read **Part A** information carefully as this contains the information you will need to prepare for **Part B**.

You will need to carry out your own research over one week.

You will then be given **Part B** to complete under supervised conditions.

You must work independently and must not share your work with other learners.

Your teacher/tutor cannot give you feedback during the completion of **Part A** and **Part B**.

Part A Instructions

You are required to prepare notes in response to the information provided in the case study in **Part A**.

The notes can be handwritten or typed and they must contain bullet points and not extended answers. Other content is not permitted.

Part A

Case study

You have been volunteering as a club official at a karate club.

You should consider:

- principles of sports development
- wider sports development concepts
- media and commercialisation in sport
- proposal writing for sports development for:
  - hosting an event
  - implementing an initiative or scheme
  - developing a facility or club.

Please check the examination details below before entering your candidate information

Important Information

Refer to your research notes from **Part A** to complete **Part B**. You cannot access the internet or any other resource during the supervised assessment period.

You must plan your time and work independently throughout the 2 hours 30 minutes supervised assessment period.

You will complete **Part B** under supervision and your work will be kept securely during any breaks taken.

You must not share your work with other learners.

Part B

Case study

You are a club official at a small karate club. The club is situated on an industrial area on the edge of a small town centre. The club wants to appeal to a bigger market and increase its members. The club currently offers children's karate classes (11–16 year olds), adult karate classes and an after school karate club at a local primary school. It has one large dojo, a large training hall, male and female changing facilities, a waiting room, a large car park and a small shop.

The karate club is a private club that receives money from members paying for annual club membership. The club shop sells karate merchandise including clothing, training equipment and punch bags.

There are primary schools, secondary schools and colleges nearby.

Task

You have to create a proposal for developing the **facility or club** and analyse the interrelationship between your proposal and wider sports development concepts.

Your proposal must be for developing the **facility or club** that aims to develop sport at the karate club.

Use your research notes from **Part A** about the development and provision of sport and physical activity.

The proposal should be structured as follows:

- aims
- performance indicators
- proposed activities
- resources
- interrelationship between proposal and wider sports development concepts.
