Unit 19: Development and Provision of Sport and Physical Activity

Part A

Diploma, Extended Diploma

Sample assessment material for first teaching
December 2016

Instructions

- Your Unit 19 assessment task contains two parts.
- **Part A** will contain a case study based on development and provision of sport and physical activity, on which secondary research will be conducted.
- **Part A** will be released one week before your supervised assessment session (**Part B**).
- **Part A** is specific to each series and this material must only be issued to learners who have been entered to undertake the task in the relevant series.
- We suggest that you spend no more than four hours independently conducting your research and making notes over the course of one week.
- You can take a maximum of four A4 sides of your research notes into the supervised assessment session (**Part B**).
- In **Part B**, you will be issued with the purpose of the proposal to develop sport from the case study information in **Part A**.
- In **Part B**, you will have 2.5 hours under supervised conditions specified by Pearson to respond to the task.
- Do not return research notes or Part A to Pearson.
- Part B should be kept securely until the start of the 2.5 hour supervised assessment period.

Instructions to Teachers/Tutors

This paper must be read in conjunction with the unit information in the specification and the BTEC Nationals Information for Conducting External Assessments (ICEA) document. See the Pearson website for details.

Part A should be issued to learners one week prior to undertaking **Part B** of the assessment.

Learners will be expected to conduct research over a maximum of four hours. Up to four sides of A4 notes can be taken into the supervised assessment (**Part B**).

Teachers/tutors cannot give any support to learners during the production of the notes and the work must be completed independently by the learner.

Part B is taken under supervision in a single session of 2.5 hours on the timetabled date. Centres may schedule a supervised rest break during the session.

Centres may choose **ONE** 2.5 hour slot on either of the two dates specified by Pearson. Centres must not schedule multiple sessions as this will be considered malpractice.

Guidance for Learners

Read **Part A** information carefully as this contains the information you will need to prepare for **Part B**.

You will need to carry out your own research over one week.

You will then be given **Part B** to complete under supervised conditions.

You must work independently and should not share your work with other learners.

Your teacher/tutor cannot give you feedback during the completion of **Part A** and **Part B**.

Part A Instructions

You are required to prepare notes in response to the information provided in the case study in **Part A** Set Task Information.

The notes can be hand written or typed and they must contain bullets and not extended answers. Other content is not permitted.

Part A

Case study

You are the Community Sports Development Officer in a small town.

You should consider:

- principles of sports development
- wider sports development concepts
- media and commercialisation in sport
- proposal writing for sport development for:
  - hosting an event
  - implementing an initiative or scheme
  - developing a facility or club

Important Information

Refer to your research notes from Part A to complete Part B. You cannot access the internet or any other resource during the supervised assessment period.

You must plan your time and work independently throughout the 2.5 hour supervised assessment period.

You will complete Part B under supervision and your work will be kept securely during any breaks taken.

You must not share your work with other learners.

Part A

Case study

You are the Community Sports Development Officer in the small town of Willborough. There is a wide variety of sports clubs and public facilities in and around Willborough, including a swimming pool, tennis courts and playing fields.

Someone from Willborough has been selected to represent England in the next Commonwealth Games. The local authority wants to encourage the townspeople to use the sports facilities to help celebrate Willborough's representation in the Commonwealth Games.

The local authority has given you a budget to carry out this task. There are primary and secondary schools in the town. There are also several community groups that meet regularly and are always keen to be involved (Willborough Mum & Baby group, the over 50s club, Cub, Scout, Brownies and Guide groups).

Part B

You are required to create a proposal for an initiative or scheme and analyse the interrelationship between your proposal and wider sports development context.

Your proposal must be for an **initiative or scheme** that aims to develop sport in the town of Willborough. Use your research into the given case study and the development and provision of sport and physical activity.

The proposal should be structured as follows:

- aims
- performance indicators
- proposed activities
- resources.
